

MAP OF INDIA

VISION EMPOWER

BY KRISHNENDU E

MATERIALS REQUIRED

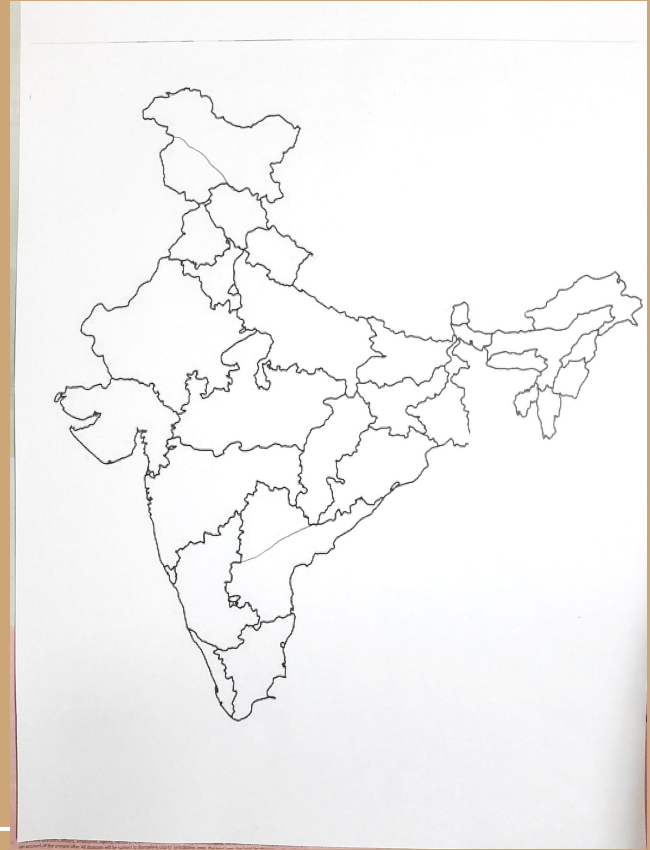

- A3 Sheet with India map drawn/printed on it
- Chart Paper/ Cardboard (To give a hard base)
- Twine Threads (To outline the whole map)
- 3D Outliner (To draw the outer border)
- Glue to stick (Fevicol)
- Scissors

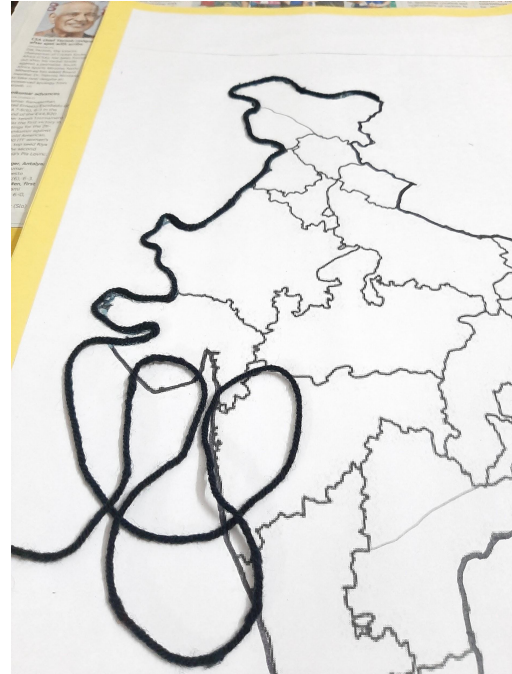

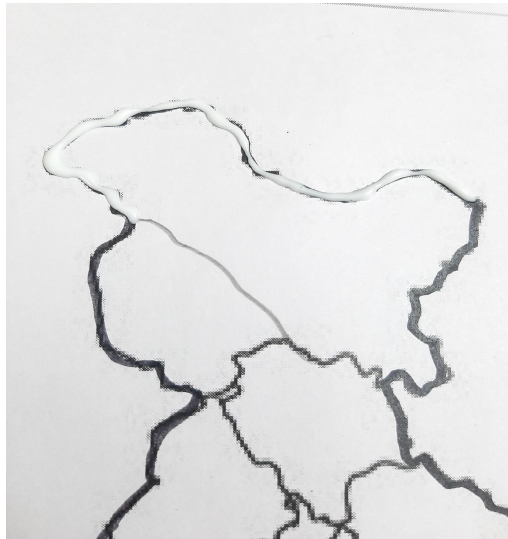

STEPS INVOLVED

Step 1:

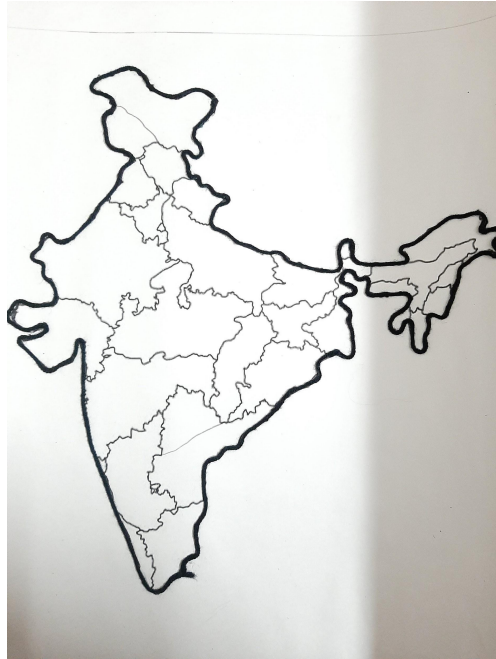

Paste the A3 with the India map on the chartpaper.

Step 2: Outline the map with Fevicol and stick the thread on it.

First do the border...

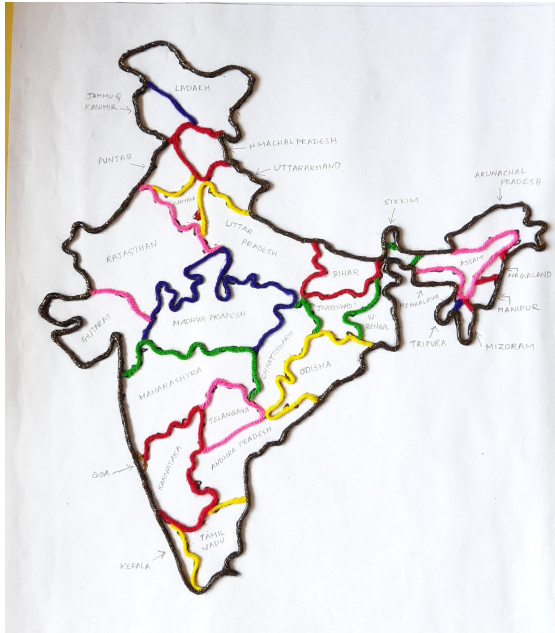

...and then the states

**Step 3: Outline with 3D
outliner on the outermost
border.**

The Tactile Map of India is Ready!

THANK YOU!
